## Oil & OPEC Map

### Map

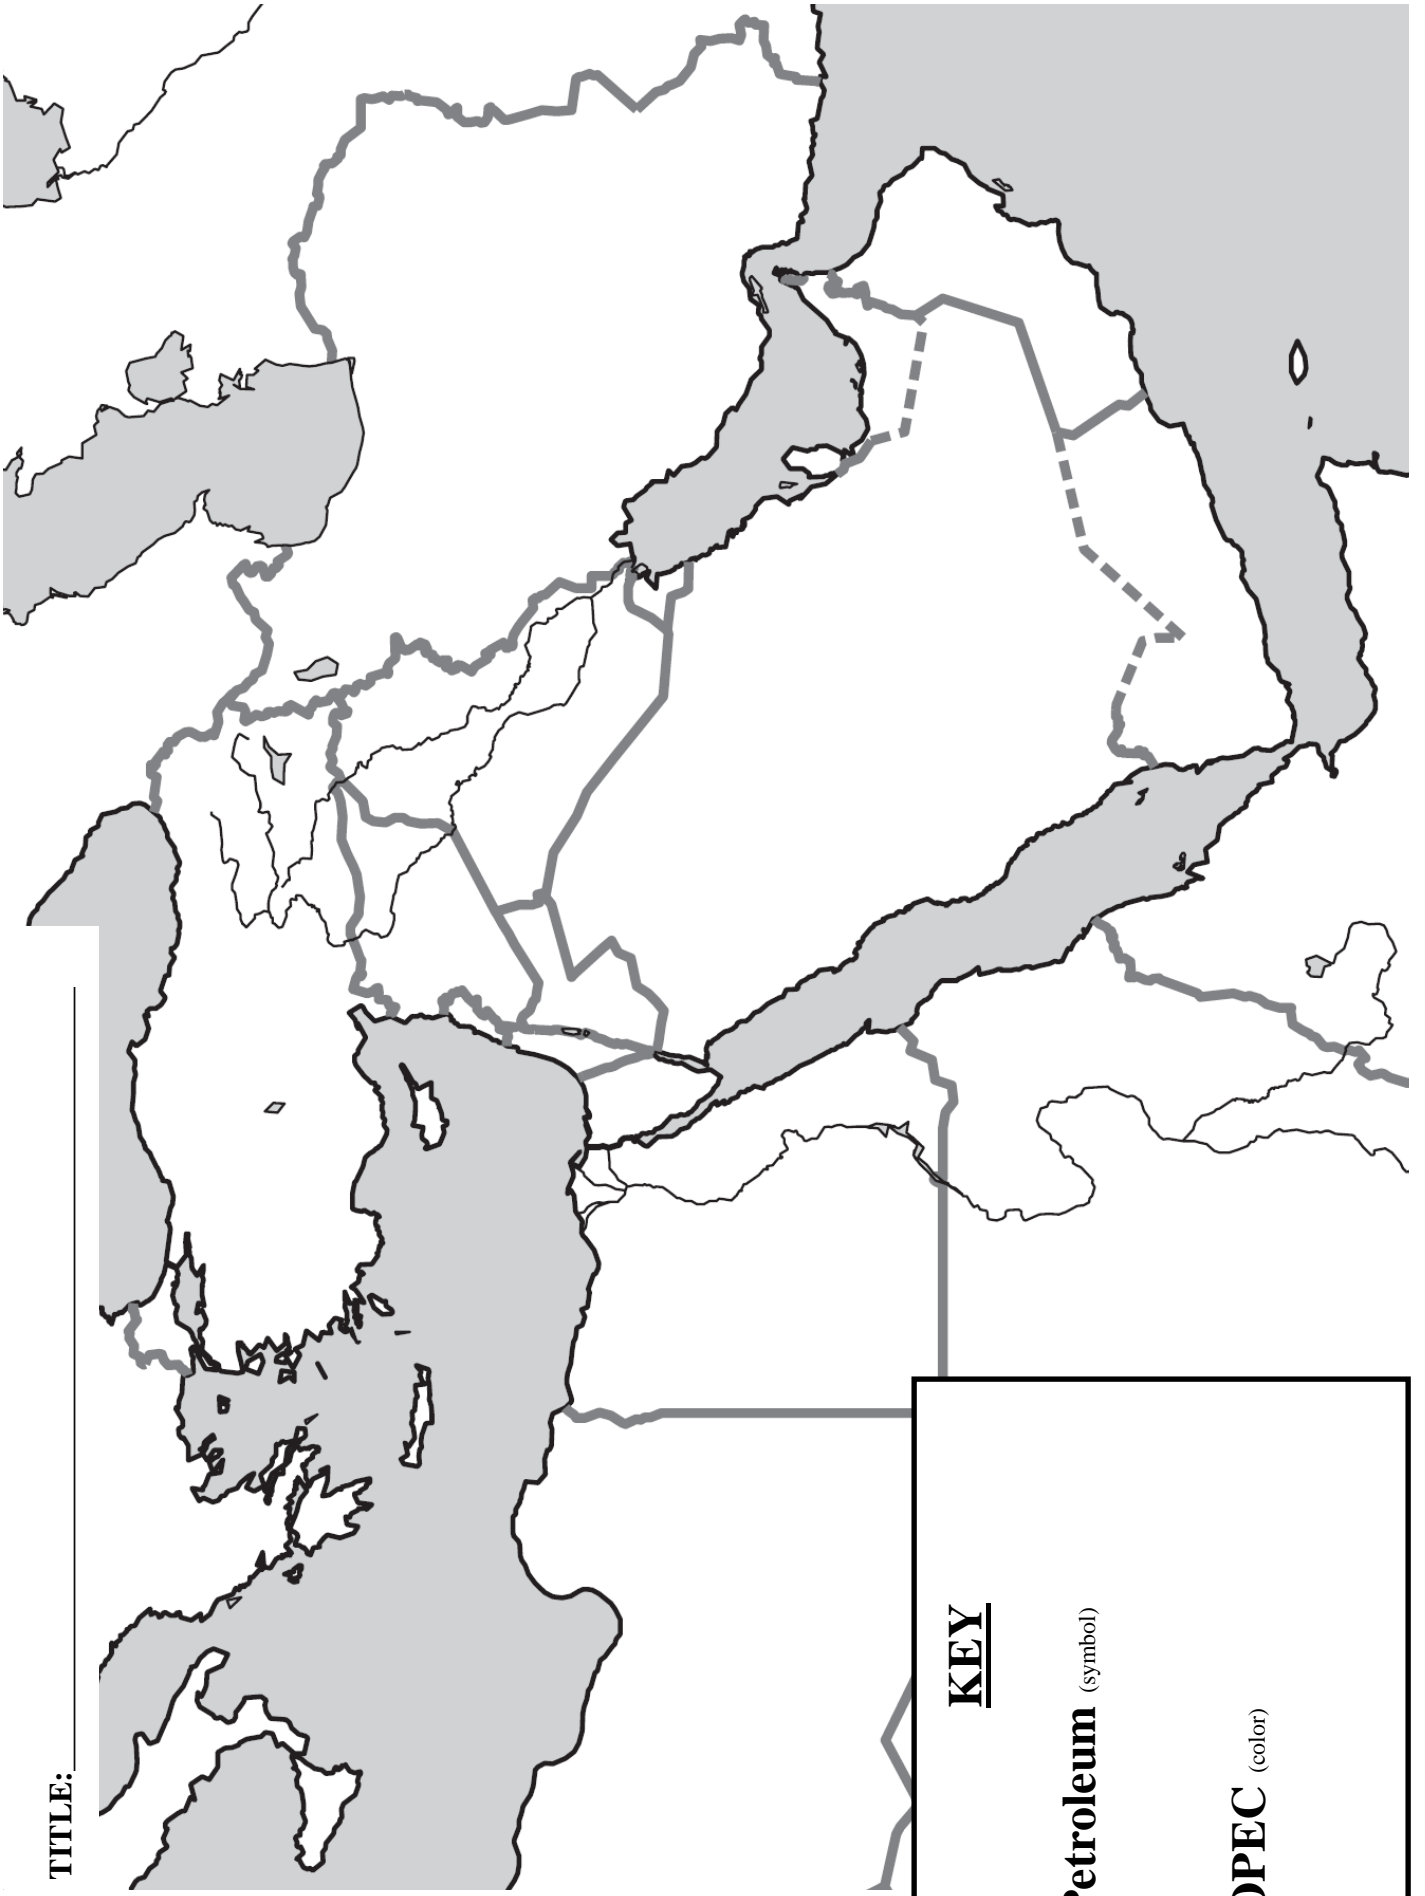

1. Label all the Middle Eastern countries on your map. Use textbook pg. 121 to help.
2. Use the *Proven Oil Reserves* chart to fill in the table below.

Middle East countries WITH oil (MORE than a billion barrels)	Middle East countries WITHOUT oil (LESS than a billion barrels)

3. OIL SYMBOLS - use the information from the table above to fill in the map of the Middle East.
  - Pick a symbol to represent petroleum, or oil. Put the symbol in the key on the map.
  - Put petroleum symbols on those countries that have MORE THAN a billion barrels of petroleum.
  - Use more symbols in those countries that have more oil.
  - Use fewer symbols in those countries that have less oil.
4. OPEC
  - Color the 6 Middle East OPEC countries one color (see *Oil in Southwest Asia* reading).
  - Create a key for the color you chose to represent the OPEC countries on your map.
5. TITLE - create a title for your map and write it at the top.

**QUESTIONS: Read textbook pg. 456 to help you.**

6. What do the letters of "OPEC" stand for?
7. What is the purpose of OPEC?
8. Based off of the reading, do you think the world would be better of WITH or WITHOUT OPEC? Explain.
