## DESIGN A MAGAZINE COVER!

**Directions:** After reading *European Empire Building in Asia and Africa*, you are going to design a magazine cover that could have been seen in the early 1900s. You will need to include the following things in your design:

1. Choose to base your cover on the "Scramble for Africa" **OR** "Nationalism & Militarism".
2. Write a catchy title that goes along with the topic.
3. Draw a graphic that explains your title.
4. In the "Features" section, write 4 different titles of articles that could be featured in the magazine. Also write down the page number that you want them to be on.
5. Color the magazine cover. \*The border should be yellow, but you can color the rest any way that you prefer.
6. Cut this sheet in half & turn the cover in!
