

Station Four:

1. With your partner, read the article, “European Empire Building in Asia and Africa.” Highlight at least FIVE important facts (This will go on page 36 of your Interactive Notebook).
2. Answer the FIVE questions that go along with the reading.
3. Read the directions “Design a Magazine Cover” and create a magazine cover on the left side of the sheet. Color your cover!

***Do NOT tape your magazine cover to page 37 yet. You will turn it in to me first, then place it on page 37 of your Interactive Notebook.**
