

Station One:

1. Create a Three-Column chart on **page 31** in your Interactive Notebook (You may also receive a graphic organizer from Mr. Brown).
2. Title your chart: **EARLY EXPLORERS**
3. Label each column: **MOTIVATION, OBSTACLES, ACHIEVEMENTS.**

- **Column One: MOTIVATION**

What are THREE things that motivated the explorers?

Write the three things in this section and draw a colorful graphic for each.

- **Column Two: OBSTACLES**

What are THREE obstacles that the early explorers faced?

Write the three things in this section and draw a colorful graphic for each.

- **Column Three: ACHIEVEMENTS**

What are THREE achievements that the explorers accomplished?

Write the three things in this section and draw a colorful graphic for each.

*See the picture for an example. →

You may choose to include some of the same things in your chart, but I expect you to come up with at least FOUR on your own!
