How does literacy rate impact the standard of living?

The more of the population that can read (literacy rate), the better jobs they can get and more money they can make. This leads to a high standard of living.

What is the European Union? How do member countries impact each other?

The European Union is a trade confederation created in the Cold War. Member countries support each other in trade and economic decisions.

What is Ukraine's environmental problem?

Chernobyl Disaster/Radiation

What 2 countries colonized Latin America? What 2 languages do the people speak in Latin America?

Spain & Portugal. Spanish & Portuguese.

What is the Colombian Exchange? What are some goods from the New World? What are some goods from the Old World?

The Colombian Exchange is a trade of plants, animals, people, and diseases between Europe, Africa, and the Americas as a result of European Exploration. The New World provided squash, turkeys, tomatoes, potatoes (ect). The Old World provided horses, cows, apples, oranges, smallpox (ect).

Why does Quebec want to be independent from Canada?

It has a different heritage. They are primarily French, while the rest of Canada is primarily English.

What were the Aborigines of Australia like? What happened when Europeans arrived?

They used Neolithic tools. Many of them died of diseases or were killed.
