2) **Questioning:** Using your survey (title, captions, first and last paragraphs), write three questions you have before reading.

Question 1	Question 2	Question 3

3) **Read:** Read and answer the questions that you formed in the “Questioning Phase”.

Answer to Question 1	Answer to Question 2	Answer to Question 3

4) **Recite:** Look back over your questions. Without looking at the answers you found, try to answer the questions to yourself from memory. Once you can answer each question by memory, move on to Review.

5) **Review:** In the space below, write a two sentence summary of the main topics of what you read.
